### **CORONAVIRUS FUNERALS**

#### **Are there any special requirements for holding the funeral of someone who has died of Coronavirus?**

The Victorian and Tasmanian governments each have guidelines for cases of suspected or confirmed COVID-19. These mean that some cultural and ministry funeral practices need to change, especially how families interact with the body of a person who has (or may have) died with COVID-19. Ministers need to consider how their ministry practice may need to alter and should discuss with Church Councils ahead of time how families can be supported in this situation.

*As of 17/04/2020*

### **PERMITTED WORKER PERMITS**

**In Metro Melbourne, the Victorian Government requires all Permitted Worker Permits to be re-issued with new dates and be reapproved effective from September 14, 2020. This applies to all paid staff and volunteers.**

**If your congregation held one or more Permitted Worker Permits (pre Sept 13) it should have received an email from the Crisis Management Team on Sept 10 requesting information on your permit requirements. If you have not received this, please email [CrisisManagement@victas.uca.org.au](mailto:CrisisManagement@victas.uca.org.au).**

**If you have not previously held Permitted Worker Permits but now require one please follow the Permitted Worker Permit process. Only those who have not previously held a UCA Permitted Worker Permit need to follow this process**

2. Then return the form to the presbytery AND to [CrisisManagement@victas.uca.org.au](mailto:CrisisManagement@victas.uca.org.au) Sending both at the same time at this stage means there are no undue delays for urgent requests.
3. As well as returning the form, please attach a statement by the Church Council Chairperson or person supporting the application saying

Ask the relevant person/department at Synod or your presbytery. This FAQ document will contain additional topics as they become known.

*As of 06/04/2020*

## COVID SAFE APP

### Should we encourage downloading the Federal Government's Covid-Safe tracing app?

Synod Ministries and Operations would strongly recommend that all people in ministry download the Covid-Safe tracing app and also encourage all Uniting Church members to do so. As worship services recommence, this is a simple measure to help maintain the safety of our members as they start to gather again.

*As of 14/05/2020*

## FIRST AID PRECAUTIONS

### In the event of someone needing first aid treatment, are there any additional precautions required?

Anyone administering first aid should use general droplet and contact precautions, namely a face mask for the person they are treating which they should encourage the person to apply themselves, a face mask and gloves for the first aider, and goggles for the first aider (if available).

In the event that a first aider has a reason to suspect a person is infected with COVID-19, they should try to limit their contact with that person as much as they can, meaning they should avoid physical contact (e.g. checking pulses and performing physical assessments) unless absolutely necessary, such as performing CPR or putting people in a recovery position if they are unconscious and/or struggling to breathe.

## JOBKEEPER PAYMENTS

### What is happening with the Jobkeeper payments?

In July, the Government announced an extension of the JobKeeper Payment until 28 March 2021. The Synod was required to re-assess eligibility for the JobKeeper extension using actual turnover in the September quarter 2020 to demonstrate that it met the relevant decline in turnover test to be eligible for JobKeeper for the period 28 September 2020 to 3 January 2021.

We can now advise that the Synod has demonstrated eligibility and will receive JobKeeper payments for eligible people paid through the Synod or CSPS payrolls.

The JobKeeper Payment rate has been reduced and paid at two rates:

- From 28 September 2020 to 3 January 2021, the payment rate will reduce to \$1,200 per fortnight for all eligible people who were working for 20 hours or more a week on average, and \$750 per fortnight for people who were working for less than 20 hours a week on average in the reference periods.
- From 4 January 2021 to 28 March 2021, the payment rate will further reduce to \$1,000 per fortnight for all eligible people who were working for 20 hours or more a week on average, and \$650 per fortnight for people who were working for less than 20 hours a week on average in the reference periods.

Our people are not required to resubmit a new nomination declaration and Congregations do not need to provide financial information to support the turnover tests. Eligible people will be notified of their payment tier by a message on their pay slip.

*Continued P8*

Please note that the Synod will need to demonstrate that the relevant decline in turnover test in the December quarter 2020 has been met to remain eligible for the JobKeeper payments from 4 January 2021 to 28 March 2021. Synod expects to be in a position to confirm eligibility in January 2021.

Further information is available in the JobKeeper Payment extension fact sheet. <https://treasury.gov.au/sites/default/files/2020-08/Fact-sheet-JobKeeper-Payment-extension-1.pdf>

Specific payroll queries can be directed to: [Payroll-UCA@victas.uca.org.au](mailto:Payroll-UCA@victas.uca.org.au)

Congregations are reminded that the JobKeeper Payment has been implemented by the Government to help employers keep staff and restart when the crisis is over.

### **Some questions:**

#### **Do casuals need to submit timesheets?**

Where a casual is normally paid by submitting timesheets, these need to continue to be submitted, even if it's for a small shift.

#### **Do staff need to continue to work?**

Yes. The JobKeeper payment processes allow an employer to reasonably alter an employee's duties, location and days of work. We would advise congregations to find all staff (including casuals) some work tasks to do even if it's from home. You might need to be creative and/or ask the staff what they may be able to contribute. Some ideas shared in the zoom meeting – for Playgroup workers contacting parents, providing activity packs, zoom catch up with children, sing alongs etc. Admin staff may also be used to keep in contact with members, email/deliver newsletters, filing etc. The work may not be what they normally do.

#### **For Part-time/Casuals who receive a top up payment do LSL levies (portable LSL) apply?**

Portable LSL Authority - levy for "Community Service Workers": For those employees who are receiving a top-up payment, the top-up portion is not included in the calculation of the LSL levy.

The situation is the same as what has been calculated in the past (the actual total hours worked and the totals ordinary pay received by the worker, not including the JobKeeper top-up payment).
