

# Cluster News

## DECEMBER 2022

**Christmas Blessings to you all as we celebrate the mystery and miracle of the incarnation in the birth of Jesus. Emmanuel, God with us.**

### **Welcome to the December Cluster**

**News,** connecting us across the three churches as we grow very close to becoming one congregation on 1<sup>st</sup> January

Our three Church Councils held their final monthly meetings this week, many reflecting on valuable times past and looking forward in great hope and anticipation as we move into a new opportunity. **celebrating** our Life in Christ with each other and **servicing** our community together as the **Whitehorse Uniting Church.**

### \* **Frontier Services**

As mentioned last month, Regional Council endorsed The Mission and Justice Ministry's recommendation that at our first Sunday of the month **Together @10 Services in December and January,** loose offerings and any donations in marked envelopes be for the support of the work of Frontier Services. Let's be generous!

## **Frontier Services**

Australia's oldest bush charity for more than 100 years.

### **The Vision**

We dream of an Australia where everyone who lives in our regional and remote areas are cared for and supported and have a mantle of safety and well-being. Australian people who live out bush experience the tyranny of distance and social isolation. These include indigenous communities, isolated properties, mining communities, and other remotely located communities. And for them, we are the people who knock on the door, take the time to listen, offer a helping hand, and be of service.
